DDC Upholstery -Services

Best Value, Excellent Service & Ethical Production

At Devon Disability Collective we have a dedicated upholstery team with the skills to completely transform your furniture.

We can take on anything including classic cars, camper vans, boats, motor bike seats, caravans and motor homes, home and office furniture.

Foam can be supplied in almost any size and shape and to a range of densities from standard foam as well as luxurious memory foam to chip foam that can be almost as hard as wood!

Add to this our extensive range of fabrics, leather and vinyl in a variety of colours and you'll have an immensely competitive service you'll find hard to turn down!

At our Exeter manufacturing site we work to BSI ISO 9001.2008 ensuring our quality standards and workmanship are excellent, and frequently complimented.
